

# SCARLETT FLAT FLOOR WASTE TRANSFER STATIONS

NZ MANUFACTURED  
QUALITY &  
PERFORMANCE

- Flat floor design with no pits required saving thousands on civil works and drainage costs.
- Fully modular design from a single tipper unit to multiple units.
- Safe, quiet user friendly site and so easy to manage.
- Build it inside an existing warehouse.
- Design the front end of the sort line to suit your requirements and budget.
- Patented tipper design.
- Retro-fit to any existing pit or open top site.

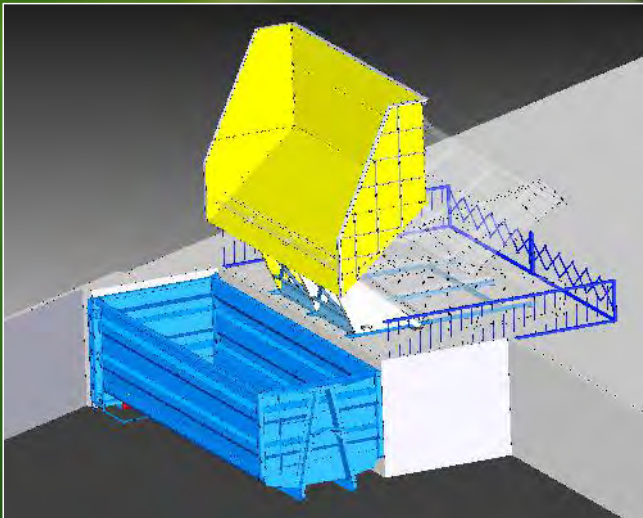

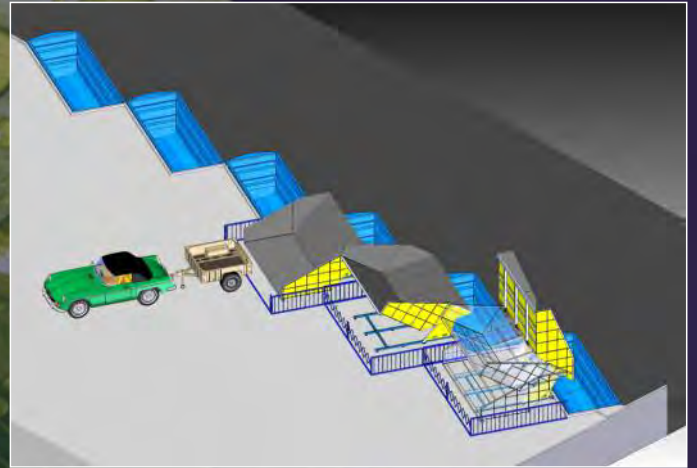

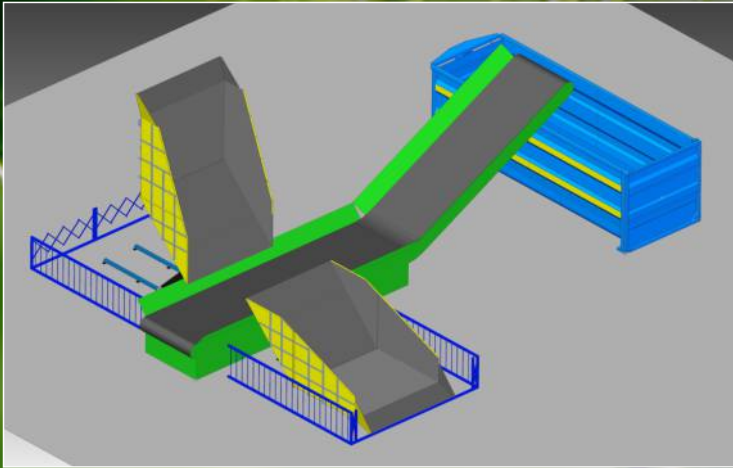

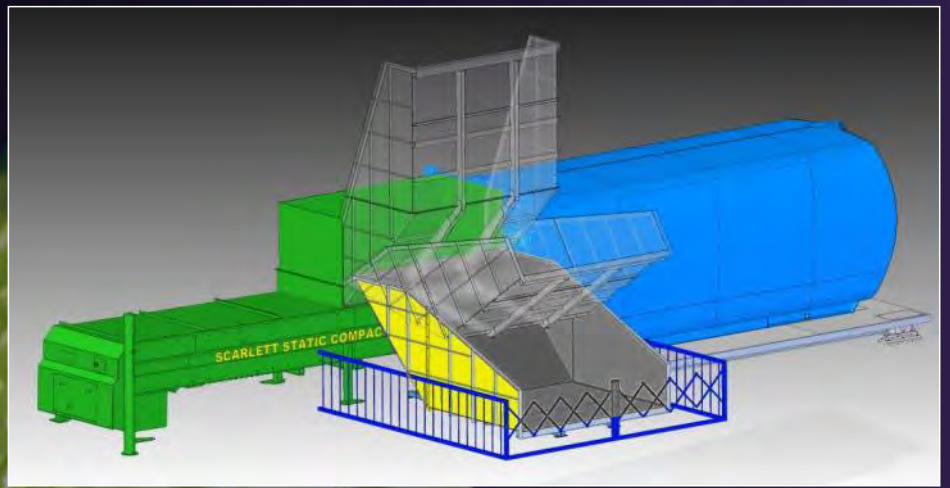

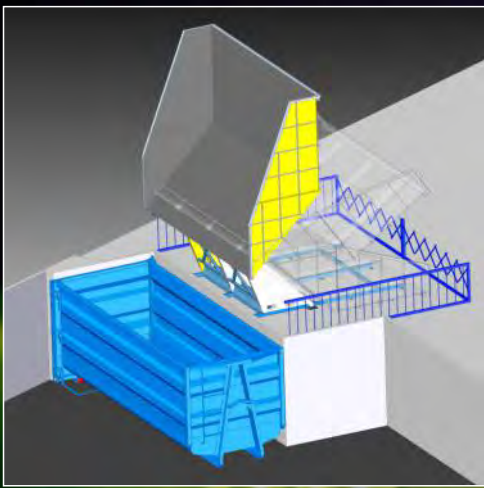

**Future Concepts for Flat Floor Transfer Stations  
incorporating Material Recovery Systems**
